**PXL Age**

Real-time Digital Age Verification with Ultimate Conversion

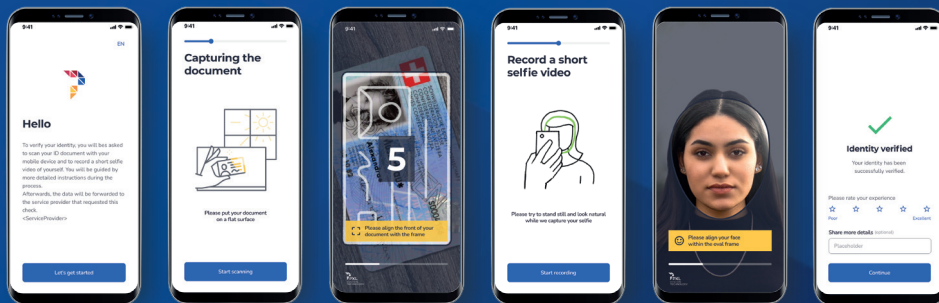

Verify the age of your customers in seconds

because ticking a box or manually entering a date of birth is not enough to protect minors.

Simple age verification for your customers – *whether at POS or online*

- ✓ Cloud-based SaaS solution with simple API for fast integration
- ✓ Ready to use immediately with preconfigured standard functions
- ✓ KJM-compliant and suitable for the protection of minors
- ✓ DSG / GDPR compliant data transmission

✅ **Age Verified** Above 18 years

Web-based age check in real time without app download →

PXL Age is suitable for suppliers of:

- ✓ Alcohol, tobacco or cannabis
- ✓ Adult entertainment
- ✓ Dating platforms
